

Welcome to RISC-V Summit Europe 2024

Stefan Wallentowitz
Hochschule München & RISC-V Board of Directors

Welcome to Munich

Capital of Bavaria, 3rd largest city of Germany

One of the key technology hubs of Germany and Europe
(Automotive, Industrial Automation, Pharmaceuticals, Insurances)

Internationally recognized universities and research institutions
(TU Munich, LMU Munich, Fraunhofer headquarters)

Vibrant startup scene
(currently 5 unicorns)

Tourist magnet for history, nature, sports and rich culture

A nice city to live in and to bring a community together
