

# RISC-V Leadership announcement

Lu Dai, Chairman RISC-V International  
Stefan Wallentowitz, Vice-Chair

# Announcing the new CEO

## Andrea Gallo

- VP of Technology: Heading up the Technical Activities at RISC-V International since June 2024
- Prior to joining RISC-V International, Gallo worked in leadership roles at Linaro for over a decade
- Before Linaro, Gallo was a fellow at STMicroelectronics where he led the optimization of hardware-software architectures for new smartphone and telecommunication ICs
- He served on the board of directors for CHAOSS, a Linux Foundation project focused on the health of open source communities
- Andrea holds a degree in Telecommunication and speaks fluent English, French and Italian.
